**INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY**

International application No.  
PCT/JP2004/017288

**Box No. V** **Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement**

Claims 1 to 6 and 8 to 10

Claims 1 to 6 and 8 to 10 set forth dyes obtained by using a prescribed heating means, which employs infrared rays and a mineral, and a ventilation means to dry a natural material at a temperature in a range in which the pigment components of the dye do not degenerate and then grinding the dried natural material while it cools so that said dried natural material is pulverized into particles of a size that can pass through an 80 mesh screen; set forth a dyeing method for coloring fibers by means of a specific dyeing step that employs said dyes; and set forth dyed fibers. However, the inventions in question are not disclosed in the documents that are cited in the international search report or in any of the other documents that are considered to be related to the inventions in question, and said inventions would not have been obvious to a person skilled in the art.
